On the pit's brow a great fire was lightseems to me as the gist of the whole. the certainty of very early arrivale of the other time of the certainty of very early arrivale of the other time. One and very herge arrivale before the determinant of the other arrivale before the determinant of the other arrivale before the determinant of the other arrivale of the ot is, that the house market carried ed, the glare from which lighted up hundreds force repplies of new season's to brought up soffering from the alter-damp were large rappines of new seasons to rely in August and still further delay expressly forbidden by the doctor to go down expressly forbidden by the doctor to go expensively are calculated to make the tiny went willingly forward to aid in the tiny went willingly forward to aid in the search for as bandon is concerned, as confincted by Public Ancian; and their early hostel to soil, prealyses the for sole by private contract; hence deal-affect to hely, and merchants are afraid extensive for straight work. Parties proceeded extensive for straight work. Parties proceeded extensive for straight work. Along each level, currying the nir with them t long experience, it is well known that and arranging, as far as possible, for each to typill tions of consonary rarely obtain. he within call from the innuthing. One party,

the witness of the series to witness the same to witness the same than the same to the sam the are generally priced under the nont- Einstruti states that they bad travelled about line at arrival. Therefore, the haste to 200 yards or thecesboats, when they observed sich has been so marked for some years. Strong judications of burning; they had already emply likely to become a custom, and ten met chake-damp, but not sufficiently strong to now be been the with the view that simis stop their progress. Sharnett was slightly in alities will compete, at Public Auction, advance of his companions, and on reaching advance, so, unless marchants are prepared one of the openings he say at the extremity a liquid, is nine cases out of lest do worse. These blaze, as though the coal were on the public which were the public which the coal were the public which were the public which the coal were the public which were the p newsarity it then, to large only such Teay | fire, and torning round he Lastily, told bis thold their own at anot in says, or to attend fire, and torning round be hastily told bis attend to the few fine chops, that may pay hastened to the pit eye, where as soon as Shar-bod or lose quite as much. We should ratt had made his statement, it was decided that all should ascend the pit. So with all all the tine sprious chops alone, and had Teas of great str. ngth and keeping, man speed the cage was filled with men and sent to the surface, as it was feared another explosion would occur. The report of the explorers on en at this point I boleve there is room for second so many differences of valuation reaching the bank, caused the greatest alarm amongst the chowd assembled; but the terror munon, both in China and Lendon.

high there are almost as many elements of on the surface could hardly bear comparison or in looking forward to much school, as with the excitement amongst the brave men of the past three or few; and notes our below, who were antiqualy awaiting the related are very gete rel, the atmost we expect to of the cage. At length all were raised to the surface may be, as this year, has surface in safety. or then heat years and a few marked the exceptional profits on a few marked the exceptional profits on a few marked the colliery to be on fire, and, as there are no doubt about the personal ris side; next time, by the purchase of in the pit being dead, orders were given for the remarkaged time choses, within a few days. y supposed fine chops, within a few days, closing of both shafts. The last explorers state y supposed the coope, where selling value closing of note spaces, the state of that many belies were lying in the readways and one of the demand for but there was so much danger of another explanation. Bon that they dared not stay to remove them. at there will be an end to this information. The pit will remain closed for some days.

not donter; but meanwhile, I do not see is: Ine pr COMMERCIAL INTELLIGENCE. HONGRONG, MONDAY EVENING calone, unfers at such prices as appear a The drug market has kept sleady throughout terately, in any one month. What crushed the day for Bongal, with a fair native demand, entire trade, is the haste to beer 450.0 0 to while Malwa, owing to large supplies of over Ten in a To weeks; and 1 900 chests by the steamers Ellora up | Sin the hopeless effoit to try and sell this Nanzing has declined. The following are the ntity as fast as it was bought, which is ming prices:-Pains, \$535; Behares, \$5221; bis is the peticy of speculators, and old. In Res Cotton, a sale of 63 bales fine new moned from who still think the old enalon Bombay has been made at \$24.25 per picul. A myleges bree quantity, when the market is very large business has been done in New Bank . arently a shirte the spirar finist, to be the Shares, over 500 having changed hands at 18 safe and sure may be best a bestone in premium, er dir., for the 1st of April. All Freight payable in advance in Mexican &c., dollars, or on delivery in American gold with | No Letter, Book, or packet of patterns can 8 per cent. additional, at Shipper's option,
Return Passage Tickels issued at a reduction well as the registration fee, be paid in advance of let, upon the whole amount for the round in pestage stamps. For further information as in Passage or up to helf an hour before the time fixed for Freight, apply at the Agency of the Company, closing the Mails,

Hongkong, 15th Junuary, 1870.

T. A. HARRIS, Agent.

Postmaster General. It is hereby notified for general information, by order of His Excellency Sta RICHARD GRAVES MACDONNELL, that beauchaward Book Packets, and Packets of Patterns or Samples of Merchandize, may be transmitted through the Post by the Mails unde up to be forwarded both by the British Contract Packets and by Private Ships, between this Office and each Agency thereof in China and Japan. viz. : Canton, Swatow, Amoy, Foochow, Ningpo, Shanghal, Nagasaki, Diogo, and Yokohama,

Not exceeding 4 oznacionamina B cents. Above 4 oz., and not exceeding 8 oz. 12 ... Special attention is directed to the following rules and regulations, which will be strictly A Book Packet may contain any number of separate Books, Almanaoks, Maps or Prints, and any quantity of paper, veltum or pareliment (to the exclusion of letters whether scaled or open); and the Hooks, Maps. Paper, &c., may be either printed, written or plain, or my mix. All legitimate binding, mounting or of a portion thorself, will be allowed, whether such binding be lose or attached; as also rollers in the ouse of prints, markers (whether of paper or otherwise.) in the case of Books, and in short whatever is necessary for the sair transmission of literary or artistic matter or usually ap-Every Back packet must be either without a cover, or in a cover open at the ends or sides. It must not contain my letter, open or scaled, nor any scaled and other whatever I the name and

address of the sender is however not only per come off, or for any other reason, the packet osumot be forwarded, it many be returned, breadth or depth, exceeding those dimensions it They must not be of intrinsic value. This rules excludes all articles of a saleable mature. I mid indeed, whatever may have a value of its form, apart from its mere use as a puttern; and the quantity of any material sent ostensibly us a pattern, must not be no great that it can lairly be considered as having on this ground an There must be no writing or marks other than thouddress of the person for whom the packet is intended, and that of the sendor, a trade mark and numbers, and prices of the articles; other-

wise the Proket will be detained, or forwarded The Patterns much be sont in covers open at ends, so as to be easy of examination. Samples, however, of areds, drugs, and so forth, which in bags of limen or other uniterial, fled at the neak; baga so closed that they cannot readily be opened, even although they be transparent, must not be used for this purpose. Non compliance The rule which forbids the transmission through the Post of any article likely to injure the contents of the Mail Bags or Hoxes, or the person of any Officer of the Post Office, is, of course, applicable to the Pattern Post; and a packet containing anything of the kind will be stopped, and not scul to its destination. Arti-

es auch as the following have been occasionally posited as l'atterne, and have been detained as unfit for the Post, viz : Meinl boxes, perceluit and China, fruit, vegetables, banches of thewers, cuttings of plants, spars, knives, scissors, neodles, plus, pieces of muchinery, shorp pointed instruments, samples of metals, samples of ore, samples in glass bottles pieces of glass, wide of various kinds, carry combs, copper and start engraving plates, and confectionery of all kinds. B. W. MITCHELD. Postmuster General. General Post Office, Hongkong, 18th October, 1869.

It is heroby notified, by order of His Executlency Fir Richard GRAVES MACDONNELL, that henceforward, the rates of Postage chargeable on Packets of Printed Papers or Patterns United Kingdom when forwarded via Southampton, will be as follows: . For a Packet not exceeding one to gents. ounce in weight................. For a Packet above one and not ! exceeding two ounces......

and of double these rates when forwarded via Murseilles Packets of eventer weight than two miners will remain subject to the same rates as are now 8 cents for every four minices when forwarded via Southampton, and 12 cents for every four owners when forwarded vià Maracilles. This afteration will apply to Printed Circulurs, Price Lists, Market Reports and all printed papers other than Newspapers, as well at to Books and Trade patterns or samples. F. W. MITCHELL,

Postmuster General. General Post-Office. Hougkong, 12th August, 1869.

It is hereby notified that, under the autho-F. W. MITCHELL. Poslmasler General.

General Post Office. Hongkong, 31st July, 1868. It is hereby notified for general information, GRAVES MACDONNELL, that the system of

Agency the col is Chira and Japan, viz.: Car-The fee for registration is 8 cents each letter, be registered unless the full postage upon it, as Letters, &c., for registration will be received Postmaster General. Hongkong, 13th October, 1869,
